REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

2010-2011 proved to be another successful year at Berkeley Elementary School. BES was again selected as a State School of Character for South Carolina based on its "Peaceful School" model for the third year in a row. This model's implementation has shown a significant decline in discipline rates over the past three years while the student attendance rate remains constant at 96%.

Berkeley Elementary School provides an exceptional learning environment. The school again received an excellent rating on its 2010 report card and made Adequate Yearly Progress based on the third grade PASS scores of its feeder school. The child development program is fully licensed by the Department of Social Services. Through an intensive district-wide process the Berkeley County School District, including BES, are now accredited by the AdvancED Accreditation Commission and Board of Trustees by the Southern Association of Colleges and Schools on Accreditation and School Improvement. This is an international accreditation organization and the district and BES will remain accredited through June 30, 2016.

Student achievement continues to show growth in many areas. The Dynamic Indicators of Basic Early Literacy Skills results are as follows: Kindergarten scores showed that 92% of the students are established in phoneme segmentation. This remained relatively consistent from 94% last year. First grade Oral Reading Fluency scores improved from 67% established to 71.1% established and second grade scores remained consistent with 62.4% established in Oral Reading Fluency. Data from the Measures of Academic Progress assessment indicates that 52.6% of second graders are at or above the 50th percentile in Reading and 66.7% are at or above the 50th percentile in Mathematics. This is a decline in Reading from 62.1% in 2009-2010 but an increase in Mathematics from 60.6%.

Students participate in school and community programs that enhance development and promote citizenship. These programs include Kiwanis "Terrific Kids" character education, Berkeley County Kids Who Care ecology awareness, Junior Achievement, Maestro Club, and the Northwoods Mall Art Show. Students receive mentoring from volunteers through our major business partner, Santee Cooper, and also through the Berkeley High School Teacher Cadet Program.

Our staff increases their professional knowledge through staff development and coursework. There are eight Nationally Board Certified teachers on staff. Parents are an integral part of the school and serve on the PTO and the School Improvement Council (SIC). The SIC team members meet throughout the school year to review annual goals and make changes for improvement.

Berkeley Elementary School fosters an environment of success and appreciation for all students, staff, parents, and community. We will continue to provide partnerships that will ultimately help our students reach their maximum potential.
